Mid-Coast Water Planning Partnership Nears Water Action Plan Completion

Charter signatories were hard at work during September, submitting the final round of edits to the MCWPP Water Action Plan. With the exception of three plan appendices, the latest version of the plan is posted on the MCWPP website at <https://www.midcoastwaterpartners.com/draftwateractionplan>. The Integrated Water Management Plan Development Team looks forward to finalizing the plan and Oregon Explorer Map Viewer and Landing Page in October.
