Hello Lisa,

WALTZ David (PRIVATE): 11:55 AM

is there a hand raise feature so we don't have to just break in?

Mark Saelens (to All): 11:59 AM

Taking a step back why are business and residents combined. These two groups are very different in how you might approach getting them to understand the objectives and potential actions

Suzanne de Szoeko (to All): 12:05 PM

I have to go unfortunately. Thanks

Sam Chan (to All): 12:20 PM

Desalination is better listed in column three as a possible tool

Sam Chan (to All): 12:27 PM

Dear Colleagues. Very pleased to hear the discussions. Thanks for your thoughts. I must log off to teach a class. Look forward to working with you. Happy and Healthy new year. Sam

My audio is blinking on and off.

Lisa Gaines (PRIVATE): 12:42 PM

Should I give you remote control of my screen?

Jay MacPherson (to All): 12:47 PM

I need to go. Thank you to Lisa, Lisa, and all the attendees. I look forward to the next session.

Caylin Barter (to All): 12:50 PM

can you double-click between pages to collapse rows?

Caylin Barter (to All): 12:51 PM

thank you!!!

David Bayus (to All): 12:52 PM

I have to leave early. Thank you for putting all of this together in one document.

Janine Salwasser (PRIVATE): 12:54 PM

Can you put that last strategy in the chat, Lisa? Then Lisa G can see it and add it. She can't hear, but she can see chat

To All: 12:55 PM

Explore the regulatory mechanisms associated with drainage through land use and building codes to facilitate use of rain and gray water for property owners.

Janine Salwasser (PRIVATE): 12:56 PM

Go ahead and let me share my screen, and I can make the edits.
